Preface

The story in this book is what really happened to me. It is based on casting out demons and being totally delivered from the spirit of witchcraft. It is based on spiritual warfare. In Mark 16: 15-18 Jesus gives us a command, "And he said unto hem, Go ye into all the world, and preach the gospel to every creature. 16. He that believeth and is baptized shall be saved; but he that believeth not shall be damned. 17. And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues; 18. They shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

We are told in Ephesians 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

Uncle Tom in this book is dead. He died when I was a little girl, I only remember seeing him one time.

Acknowledgments

I was directed by God to write this book. Cynthia Jackson who was 37 years old has gone home to be with God on December 5, 2002. She drew strength from my anointing. She was also strength to me even on her sick bed. We were very close. My second daughter caused me to write this book also. And to everyone who caused me pain and suffering, I thank God for you because you helped push me forward.

I thank God for my mother Katie Mae Garrett and my father George Garrett, Jr. who is alive today. I realize how blessed I am to have both parents still living. I thank God for my lovely husband, Bob Harris, who has been with me through thick and thin. He has been right by my side through the end of every test and trial that God has allowed me to go through. I know God put us together. I thank God for Lorrie and her husband. I also thank God for Carliss and her husband. I am blessed to have them, my daughters and their mates. To all of my grands: Ricas Cook, Darius Cook, Sharica Cook, Demarcus Cook, Carttressia Cook, Samrico Davis, Melissa Davis, Laurren Randolph and LaMarr Randolph and my great granddaughter, Elizabeth David.

To all of my husband's children and grandchildren, the entire Garrett and Harris family, to my church family and friends and Dekalb County Jail Chaplain staff and inmates, also to Grady Hospital Chaplain staff, to Carol Hardy and her husband who opened her doors for me to have Bible study for two years; I love you and thank God for you. You will continually be in my prayers. I also thank God for Bishop Holmes who made me the

National State Mother over all of his churches in March 2003.

To Pastor Virginia Green and Elder Robert Green, I love you and I thank God for having such friends. Your faithfulness in your church and in God has really helped me.

To my "Prayer Partner" Mother Doris Andrews, I thank god for you.

Special thanks to Yvonne Lerma for typing the rough draft of this book in order to send it to the publisher.

Bishop Pace, my mentor.

Elder Williams gone, but not forgotten.

Overseer and Pastor Carter.

To my Lord and Saviour, Jesus Christ, who is my Strength, my Comfort, my Peace, my Joy and my Way Maker. He walks with me, He talks to me and leads me every step of the way. He allows me to always feel His precious Holy Spirit and His Presence, even in the darkest hour.

Introduction

This book is based on Total Victory and Spiritual Warfare. Pastors, church members and lay members must go beyond the concept of personal deliverance to the concept of spiritual warfare against the spiritual wickedness in heavenly places. (Read Ephesians 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.")

Demons spirits comes through open doors. When we don't pray like we should or read our bible, we try to live for God one day and the devil the next day. We open doors for evil spirits to come in. Read Mark 9:17,"And one of the multitude answered and said, Master, I have brought unto thee my son, which hath a dumb spirit; "; Luke 4:33, "And in the synagogue there was a man, which had a spirit of an unclean devil, and cried out with a loud voice,"; Mark 1:23, "And there was in their synagogue a man with an unclean spirit; and he cried out,"; Mark 5:2, And when he was come out of the ship, immediately there met him out of the tombs a man with an unclean spirit, " and Matthew 4:24, ."And his fame went throughout all Syria: and they brought unto him all sick people that were taken with divers diseases and torments, and those which were possessed with devils, and those which were lunatick, and those that had the palsy; and he healed them."

19 What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? 20 For ye are bought with

a price: therefore glorify God in your body, and in your spirit, which are God's" (1 Corinthians 6:9-20).

Jesus Christ was tempted by Satan. "Again the devil taketh him up into an exceeding high mountain and sheweth him all the kingdom of the world, and the glory of them. And said unto him, All these things will I give thee, If thou wilt fall down and worship me." Matthew 4:9. In Ephesians 6:10, we have to put on the whole armour of God and stand against the wiles of the devil, God has given us the power and authority over the devil and God wants us to use it. Use what God has given you.

As a child I suffered many things that I would consider to be injustices or abuse. God has a purpose in allowing bad things to happen to us. And it didn't happen just for me, but for the ones that I may influence or to help.

Romans 8:28 says, "All things work together for the good to them that love God." God used my hurts to make me whole. He can do the same for anyone. My compassion for people was made because of what I went through. If God brought me out, He can bring you out too.

I needed spiritual awareness. That spiritual awareness came from a little pressure from the past. Sometimes God has to give us a little push before we can go forward. When I became an adult, God saved me and gave me peace, comfort and gave me Total Victory in Him.

Have you ever in your life had the feeling of low self-esteem? I will name a few health problems, loss of loved ones, physical abuse, fear of failure, family problems. Blaming others for what you did not do or listen or obey. But do you know what low self-esteem really is?

Not knowing who you are in Jesus Christ. If you are not saved, seek God until He saves you and fills you with His Spirit.

Whoever reads this book and totally give God all. I mean give your life to Him. Pay your tithes and offering. Obey leadership, do unto others like you would have them to do unto you, lift up your Pastor and be there for them, God will Bless you. Forgive people who come against you. Live like the Bible tells you to live. Know that when someone dies in the Lord, it is a blessing. The Bible says rejoice when they die and cry when they come into the world.

Chapter One

Child Time and A Young Adult Leading to Total Victory In Jesus Christ!

I received victory in Jesus Christ from the time that I first remember. When I was a little girl about two or three years old, my uncle Tom was carrying me and I awoke from sleep and he had his penis in my vagina. My mother was calling me and he took me to my momma. He had a stick in his hand. I took the stick and hit him in his head. When I hit him on his head he would say, "Oh, Monkey." He called me "Monkey." My momma talks about it till this day, but she didn't know why I hit him with the stick. She said he always liked to change my diapers and that I would go to the bathroom all over him.

I am sending this message to all women that read this book. I don't care how well you know a person; don't ever leave your babies or young children with them. Always put God first in your life so He can lead and direct you to whom to leave your children with. God makes a difference in anybody's life. He will give you total victory in Him.

We were living with my grandfather and grandmother who watched us while my mother and father

worked. My grand daddy had about 6-to-7 acres of land. We lived on his place. He lived in Monroe, Georgia.

I remember we had chickens and hogs. We had a well where we drew water. My mother would work all of the time. My daddy worked at night at a nightclub and worked during the day puck wooding. When my mother was not home, my daddy would cook and help take care of us. He was a good father. I don't ever remember being abused but that one time by Uncle Tom. My mother loved us but she was always working and trying to help daddy supply our needs.

When I got a little older, my grandmother and grandfather got sick and died. I don't remember how old I was but it hurt me so much when I saw them being put in the grave. I used to call my grandmother "mamma" and grandfather "pa." I had two sisters, Ella Mae and Sandra. I had one brother, David. As I grew older, I remember I was sitting on our porch and a white man came to our house and called my mother and father. He said, don't cut any more wood for the fireplace because this house and land is mine now. Pa had his land willed to my daddy and his brother Charley. Charley was the oldest and my daddy was the youngest. Charley borrowed money and did not pay it back. So they took my grand daddy's land.

I said I won't ever let anyone take anything from me. My grand daddy's name was George Garrett, his wife's name was Ella. That was during the time when blacks had to stand behind the line to buy food in the stores and they had signs saying, "White Only" to drink water. I remember my grand daddy being respected by

the whites in Monroe, Georgia. But he did not trust the banks, so he kept his money at home.

I also remember when someone came and broke in and stole some of his money from the house. He was very sad because he did not know who got it. Going back to when they took the land, my daddy was so mad he said, "I think I will move." I was glad to hear that we were going to move. We had to walk twenty miles to school every day. When going home from school, the Avery girls would hit my sister and I and take our scarves and throw nuts at us. When we reached home, my grandfather would give us more money to buy another scarf. I had a hard time as a child, but God was still watching over me.

I always wanted to be in things at school. By the time I got in the fourth grade, I joined the choir. We went on a trip. My mother fixed my hair. I had on a white blouse and a black skirt. I was looking good. My mother also fixed me a lunch. Do you know someone took my lunch! So that day, I was without food. I asked other children for their food and they gave me some.

I remember walking to school and I needed to go to the bathroom. I was in the heart of downtown and I had to walk twenty miles to school and did not know where to go or what to do. I was only six years old so I went in my clothes. When I got to school, my teacher made me sit in a corner. I remember the children called me "stinky girl."

I always wanted nice and pretty clothes and to be liked by other children. But my mother could not afford to buy us what we wanted. She and daddy always got what we needed.

We lived on a farm with chickens, hogs, cotton and we also had mules. We drank water from the well and we also had a spring. We had a wood stove that we cooked on; a fireplace to heat the house and an outdoor bathroom.

When I got home from school that day after I went to the bathroom in my clothes, I did not tell my mother. I got the wash pan and cleaned myself up. When I went back to school, I felt like I wasn't anybody. I would sit alone for along time. I was very sad. But God was still watching over me.

When I was eleven years old and in the fifth grade, we were picking cotton in a white man's field. I went with my mother and father. My mother asked me to go and tell the man that we wanted to quit and go home early. I went up to the white man's door and called him. A big black dog with white spots came out and knocked me down. The dog bit a plug out of my right leg and bit me in two or three other places on my leg. I was bloody all over rolling all over the ground. I was screaming from the top of my lungs. The people came out and stopped the dog and took me to the doctor. The dog had rabies. I had to go to the doctor every day and get a shot. I did not like getting the shots so my mother had to hold me on the table for the doctor.

I know by going through those things as a child that God had called me for victory. To live for Him and help the dying world. Looking back, since I came to know God I realized this. Through it all I received Total Victory in Jesus Christ.

When I was at the age of thirteen, I joined the band at school. I played a saxophone. My mother did not have

money to buy me one so she rented one from the school. I played in the band for about one year. I enjoyed it and I marched with the band in my uniform. One day I was in the band room sitting, ready to play the saxophone when a man came and took it. My mother had missed the payment because she did not have the money to pay for it. I had so many disappointments in my life but through it all I have Total Victory in Jesus Christ.

I was on the basketball team at Carver High. I enjoyed it. But one night, we went on a trip to play ball and they threw a rock at the bus and I got hit. When I got home, I was sore all over, but it was not bad—the injury was not bad enough to go to the doctor. But through it all I have Total Victory in Jesus Christ.

By the time I was fifteen years old, I met my children's father. His name was Willie Jackson. He came to see me all the time. I got pregnant by him when I was sixteen and had a baby girl whom I named Carliss. Willie went into the Army before the baby was born. I had Cynthia two years later. Then Lorrie Ann two more years later. I wanted to leave home so I was hoping he would marry me for that reason—just to leave home. When he got out of the Army, he asked me to marry him.

Whoever reads this book, don't ever marry just to leave home because if the reason you marry isn't for love, you will not stay together.

A year later when my baby's father got out of the Army, he married me and we moved to Stand Pipe. The Army called him back into the reserves. Then Cynthia was born. When I was pregnant with Cynthia, he put a knife around my neck but he did not cut me. He was so jealous of me. He was always arguing with me or other

men whenever we went to the nightclub or dances. If I danced with a man, when we got home he would jump on me. I always fought him back.

A man that jealous will make your life miserable. I was unhappy but I still tried to show him love. I did for him what a wife was suppose to do—then my daughter Lorrie came.

We moved to Carver Place. This was the time he drove me in the street. But I thank God for being saved now.

Chapter Two

Looking For Love In A Man But I Found It In Jesus.

Before I got saved, I met a man named Carl. I use to meet him over my girlfriend's home (A married woman in the street looking for a man). I fell in love with Carl. He was selling dope. And he also was snorting dope. But he would always respect me. He would not smoke around me or sale dope in my presence.

One day he sold the FBI dope. And they sent him to prison. He went to Chattom County Prison. I went to see him every four months or more. By then it was all over town that I was going with Carl. I was still with my husband at the time. Carl had me on his visiting list as his sister. Before Carl got out of prison, I left my husband and the house we bought together and I moved to Atlanta, Georgia. My brother David moved me. He also got me an apartment where he was living. After this God saved me and turned my life around for the better. I was no longer looking for a man. I was looking and seeking ways of how to be saved and live for Jesus. I was looking for love in a man, but I found it in Jesus.

A married woman looking for love in a man. I went to nightclubs. All I wanted was that man. I would

leave my girls home with their father just to be with that man. I would slip and stay with him all night and tell my husband that I was with my girl friend. I would always meet him at her home. I remember I was 27 when I met Carl. I had been married for 10 years. Carliss was my oldest girl she was 11 years old Cynthia was 9, Lorrie was 7.

When Carl got out of prison, I let him move in the house with me. What a mistake I made. Everything Carl took me through was the same or worse than what I took my first husband through. He was going with my next-door neighbor. She was married and had children. But she was not happy. She was jealous of me and my children. She was a witch and she was working witchcraft on me. I went through so much. I was living in sin.

I remember one time I had a birthday party when we were living in Monroe, Georgia. I invited all of my friends from Atlanta, Georgia. My husband ran every one of them away with his shot gun. I was not happy at all. Another time I baked cakes for our Christmas dinner and he threw all of my cakes outside because I stayed out too long Christmas shopping. I went to a dance one night and when I came home, he had cut up all of my clothes. But deep down inside I believed he loved me. He was just jealous.

I began to pray. I read my Bible. I began to really seek God. And I asked God to forgive me for all of my sins and God did forgive me.

My first cousin was an Evangelist. At that time her name was Evangelist Shoulders. I began to go with her to have Bible study. She was conducting Bible study in other people's homes. She was saved and filled with God's Holy Spirit. I asked Evangelist Shoulders "would she

come to my home and have Bible study with me." She said, "Yes, I will." She came every Saturday night until God saved me and took me out of the bed with the men that I was in the streets with and filled me with His Holy Spirit.

If you repent and make a U-turn from wrong to right and ask God to forgive you for your sins, God will do it for you. He did it for me so I know He will do it for anyone that is sincere from the heart.

On Hampton Terr., my next-door neighbor was a witch and going with my boyfriend. She cast spells on me and captivated me so I could not help myself. I was being controlled under her influence.

After I had Bible study in my home for 3 to 6 months, my children got saved. Cynthia, Carliss and Lorrie. By me living the life I brought my children in to know God. I opened Bible study up in other people's homes and other people in the neighborhood had gotten saved.

I said if the devil got this much power it gots to be something better. When I got saved, I felt like a new person. I stopped going to nightclubs. I stopped drinking. I stopped doing whatever I knew was wrong and God helped me to live for Him. I was born again. I was a new child of God. I was in Jesus ' family. I looked better. I felt better. I had a different outlook on life. I went to the Church at least 2 or 3 times a week.

For whoever reads this book, when I found Jesus Christ the love I was missing in a man, I found it in Jesus. Jesus is all I needed. He filled that void; that hunger in my life. All you got to do is repent and turn your life around for God and do whatever He tells you to do.

Repent means a u-turn from wrong to right. And God will give you the desires of your heart. He gave me a good saved husband. And I love him but I don't put him and no one before God. I can't do anything without God and you can't do anything without God.

Also, Carliss and her first husband got married and she was saved and he was saved. If we live saved, we can draw other people to God. We will help people to make up their minds to want to be saved if we live Holy. If we stay saved, we will be a role model to someone else who is watching us. Salvation is the best thing that has ever happened to me. And the way the world is now, I am glad I am saved. It feels very good to be saved. I don't want it no other way.

Before I married Bob Harris, I was a member of Monument of Faith where I worked faithfully with the Pastor until God moved me to another church. After I married Bob Harris, I went to Powerhouse Deliverance Cathedral where Murphy Pace III was the Pastor and now he is a Bishop. Pastor Pace put me on the Pastor's Aid committee. I was on the Nurses Guild and Mother's Board as well as the Church Evangelist. I was the leader the pastor was looking for to carry out the Pastor's Aid. I did not let him and First Lady want for anything. I worked faithfully and God gave me people to help make it come to pass.

God also blessed me with my own business from 1992 until 1998. I had a cleaning service where I sent people out to work. I also had a referral service. I got paid a fee for sending people out. I sent men and women out all over Atlanta, Georgia that did not have a job. I have helped a lot of people.

God has richly blessed me. God has given me favor with men and women everywhere. God told me that I have not seen nothing yet. The best is yet to come for me. God said just keep being faithful and make sure I do what is right.

All of my girls have worked for me. They worked to buy cars and also to get things they needed for school. I remember one day my baby daughter told me, "Mama, if I was you I would not get a job cleaning." But God showed her that cleaning or whatever it takes to make ends meet—just do it. The very one that said, "Mama don't clean was helping me clean."

I have had other jobs. I have 25 years experience at the sewing plants. Most of my life I worked on the clock sewing. When I was 16 years old, I worked in Monroe, Georgia at the Chicken Plant. That was my first job. I use to stand on the line at the chicken plant as an Inspector to inspect the chickens. I learned every job there at the plant so co-workers were able to go to the rest room while I did their job. They made me supervisor.

God gifted me in Powerhouse of Deliverance church to make hats. I sold over $1000.00 of hats in my church and gave it back to my church. I love working in the church and I love giving. I had all kinds of programs and had a lot of missionaries to speak. God used me to give them a chance to use their gift(s). I also did this with the church I came out of before I came to Powerhouse. I always gave others a chance to use their gift(s)—What you make happen for others, God will make it happen for you.

Chapter Three

God Saved Me and Filled Me With the Holy Spirit.

I was first saved for six months when Carl moved out of my home. I then found a little Holiness Church called Monument of Faith under Elder Williams. I joined and stayed in that church for fourteen years before God gave me a husband. This time I was saved and I had asked my first husband to forgive me for everything I took him through. But he said it was over that he didn't want me anymore. But he would forgive me.

When I got in that Church, I experienced a whole lot including witchcraft. I said I am running in the Church to get rid of the devil. And now I walked right back in to him - the devil. But God was making and preparing me for what He had ordained for me to do. I have a deliverance ministry and this ministry is so much needed in this day and time.

After being without a man for fourteen years living for God is all I know. It was not easy but I held on to God's unchanging hands. When I met my husband I had just bought a house by faith on Clifton Street. I had been in that house for three years when I met my husband, Bob Harris. I met Bob in November 1988 and married him on March 4, 1989. He did not touch me before marriage. I was saved and

I did not believe in having sex before marriage. I was saved and I was living holy—set apart for God's use. Young women reading this book—don't go to bed with a man before marriage. Receive Jesus Christ into your life as Lord and Saviour. Give your life totally to God and He will bless you with a husband.

I was an evangelist when I got married.

When I experienced salvation during the year of 1978 when I had left my husband for another man named Carl. At that time, I was living with him, my next door neighbor who was working witchcraft on me and she was also going with my boyfriend. She was working at a friend's pie bakery. She would always give me pies and I would go over to her house every weekend to drink beer with them. She had everything fixed for me. She was feeding me before she captivated me. I was not saved. I was powerless. It began to work on me. She gave me pies and beer for five years before it started working. After this she began to control me. I did whatever she said for me to do and I could not help myself. She had captivated me with black magic and witchcraft.

I was in my car one day and I heard a lady on the radio talking about somebody is fixing a lady and she is trying to kill you. So I got the telephone number and called this lady and she said to "come to my office." I went right away. She told me that someone was very jealous of me and was always giving me things and food to eat. I could not think at that time who that was. I asked, "Who is this?" I don't have anyone close to me but my mother. And I know it is not she. So I went home.

The next day, I was on my way to work and I was sitting in my car and looked toward my front door. I saw my next door neighbor with her window curtain up looking at

me. When I looked at her, she dropped the curtain. I knew right then that this was she. The one that was working against me. When I got home from work I was so mad I did not know what to do. I went into my house. She called me on the phone and asked me what was wrong. Because she had me fixed so that when I got home everyday I would go over and eat with her. I could not help myself. But when my eyes came opened I never stepped foot into her house again. When she asked me what was wrong. I told her that I had learned to stay in my house and leave other people alone.

After that, about two or three days later I began to get very sick. Whatever she gave me, God let it come back out of me. When I regurgitated it was red and white. I got so weak I just could not do anything for days. But I never went around her again.

So I began to open a Bible study in my home under Evangelist Shoulders. She is a Pastor now. She brought the word of God to me every Saturday until I gave up my boyfriend. God took me out of the bed with him. And God saved me and filled me with His Spirit. I got out of the bed with him and slept in the bed with my daughter and I let him have my bed. After three to four months he left me because I would no longer sin with him (fornicate). I was saved. I gave him up to live for God.

I joined the church. I ushered. I sang in the choir. I went to church every Sunday that I had to go. I brought up my girls in the Church.

When my next-door neighbor was working witchcraft on me, I said it has got to be something better. And it was. The power of God is better. When I got saved, I went to church three to four times a week. I always wanted to stay around the saints of God so I could stay saved. See when

you first get saved, you need to stay in the Church so you can grow. Even after you have been saved for a while, you need to stay in Church. The Bible says we gain strength from one another. You always want to stay in the will of God. If you stay in His will, He will lead and guide you the way He wants you to go. I thank God for sending His only Son to die for my sin. And that I am washed through the Blood of Jesus Christ. What I went through with my next-door neighbor made me want to be saved. I said if the devil got this much power, I know it is something better. I am glad God saved me.

I was captivated and controlled with a powerful force by my next-door neighbor. It did not feel good. But God brought me out and gave me Total Victory in Him.

When a believer sins, sin breaks the fellowship between God and the believer. This fellowship will remain broken until the believer confesses these sins. God is faithful and Just, and He will forgive us of our sins and cleanse us from all unrighteousness (1 John 1:9) Read Romans 10:9. I am born again. I have renewed birth. It is a spiritual change. God is the only one that can bring this change into our life. Read St. John 1:13 and St. John the third chapter where Jesus told Nicodemus "You must be born again." Born of the water and spirit and the blood.

The water in this chapter means the Word of God. The Word of God will cleanse us from all unrighteousness if we apply it to our life. Applying the bible to our life teaches us to live.

I joined the church. I ushered. I sang in the choir. I went to church every Sunday that I had to go. I brought up my girls in the Church.

Chapter Four

I Cast A Witchcraft Demon Spirit Out With An Anointed Prayer.

I had my own business babysitting and cleaning service. I went to one of my client's home to baby sit. God showed me that this lady was a witch. I did not want to believe this. I said this can't be. I went in one night, I put the babies to bed and God said, "Pray, I want to show you something." I said, "Okay God." I began to pray in this home. I was laying on the sofa and when I stopped praying, I heard foot steps walking all around the sofa. I looked and I did not see anything. It kept walking. I said in my mind, she must have a cat and maybe he is somewhere in the room. The walking and foot steps went toward the bathroom and all of a sudden, I heard a loud voice saying, "Hola, Hola." Then the toilet busted and I began to hear water running. God had me caught up in the spirit. I did not even get afraid. God had me to lay down and go back to sleep.

When the man and his wife came in, I jumped up and the man said, "I hear water running. Lillie did you let my children jump on my bathroom stool." I said, "No, I heard the water running too." He said, "My toilet is bro-

ken." His wife dropped her head so he walked me to the car and I left.

I told my Pastor the next day. He told me with the gift God has given me that I couldn't go to everyone's house and pray. I must be led of God. See God had me to cast that witchcraft spirit out of that house and that spirit had to go somewhere. So it went in the toilet. Demons may cry out with loud voices. See Matthew 8:29, "And, behold, they cried out, saying, What have we to do with thee, Jesus, thou Son of God? art thou come hither to torment us before the time? "; Mark 1:23, "And there was in their synagogue a man with an unclean spirit; and he cried out,"; Luke 4:41, "And devils also came out of many, crying out, and saying, Thou art Christ the Son of God. And he rebuking them suffered them not to speak: for they knew that he was Christ." and Acts 8:7, "For unclean spirits, crying with loud voice, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed."

This was the first time I experienced this and I haven't experienced it since. But I know I can cast the devil out again through the Power of God—and YOU can too!

God showed me that He had given me the power to cast out devils. And also the discerning of spirits. I use prayer toward God and warfare toward the enemy. Our warfare against demon powers is not fleshly but spiritual. Read Ephesians 6:10-12,

> Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the

wiles of the devil. For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

2 Corinthians 10:3-5,

For though we walk in the flesh, we do not war after the flesh: (For the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ.

Use the weapons of submission to God, the Blood of Jesus Christ, the Word of God and your testimony as a believer—"And these signs shall follow them that believe. In my name shall they cast out devils"—Mark 16:17. "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy and nothing shall by any means hurt you" Luke 10:19. "The Lord is my Rock and my Fortress and my Deliverer"—Psalm 18:20.

In the Bible, in the book of Exodus we read about a man named Moses whom God used and gave him power over the enemies serpent. Moses' rod ate up Pharoah's rod when both rods turned into a serpent.

Exodus 7:8-14 reads,

And the LORD spake unto Moses and unto Aaron, saying, When Pharaoh shall speak unto you, say-

ing, Shew a miracle for you: then thou shalt say unto Aaron, Take thy rod, and cast it before Pharaoh, and it shall become a serpent. And Moses and Aaron went in unto Pharaoh, and they did so as the LORD had commanded: and Aaron cast down his rod before Pharaoh, and before his servants, and it became a serpent. Then Pharaoh also called the wise men and the sorcerers: now the magicians of Egypt, they also did in like manner with their enchantments. For they cast down every man his rod, and they became serpents: but Aaron's rod swallowed up their rods. And he hardened Pharaoh's heart, that he hearkened not unto them; as the LORD had said. And the LORD said unto Moses, Pharaoh's heart is hardened, he refuseth to let the people go. "

In 1 Samuel chapter 15 in the 23rd verse says, "For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou has rejected the word of the LORD, he hath also rejected thee from being king." Anyone that does not obey God is like a sin of witchcraft. Especially if you know to do right and don't do it.

Chapter Five

How To Be Totally Delivered From Witchcraft And Demon Spirits.

Demons cause people to accept false doctrine. Read 1 Timothy 4 where the chapter says we wrestle not against flesh and blood. Ephesians 6:12 ways we have power over them through faith in prayer and fasting. We have the whole armor of God, if we put it on.

Many demons are in the earth now because the end of time is at hand.

Revelation 9:1-11 tells us that even the one in the pit will come forth in a final battle against the people that will be left here.

> And the fifth angel sounded, and I saw a star fall from heaven unto the earth: and to him was given the key of the bottomless pit. And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit. And there came out of the smoke locusts upon the earth: and unto them was given power, as the scorpions of the earth have power. And it

was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads. And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a man. And in those days shall men seek death, and shall not find it; and shall desire to die, and death shall flee from them. And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like gold, and their faces were as the faces of men. And they had hair as the hair of women, and their teeth were as the teeth of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of many horses running to battle. And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt men five months. And they had a king over them, which is the angel of the bottomless pit, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath his name Apollyon.

Ephesians 12 says we are promised power to escape if we have on the whole armor of God.

Read Revelation 9:4, "And it was commanded them that they should not hurt the grass of the earth, neither any green thing, neither any tree; but only those men which have not the seal of God in their foreheads." Ephesians 1:3, "Blessed be the God and Father of our

Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ." Ephesians 4:30, "And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. Remember, Satan comes to kill, steal and to destroy—St. John 10:10.

Jesus tells us in Mark 16:17 "...In my name shall they cast out devils...." Demons not only have authority but they have power. One of the ways in which a demon may have influence over an individual is if a person does not forgive others. Matthew 6:14,15 says, "But if ye forgive men their trespasses, your heavenly Father will also forgive you: 15. But if ye forgive not men their trespasses, neither will your Father forgive your trespasses." An unforgiving spirit is called Tormentor.

> Then his lord, after that he had called him, said unto him, O thou wicked servant, I forgave thee all that debt, because thou desiredst me: Shouldest not thou also have had compassion on thy fellow servant, even as I had pity on thee? And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him. So likewise shall my heavenly Father do also unto you, if ye from your hearts forgive not every one his brother their trespasses.
>
> Matthew 18:32-35

Unforgiveness opens the door to torment, resentment, hatred and related spirits. Living a prayer life will keep these spirits from operating in your life. "And it shall come to pass, that whosever shall call on the name of the LORD shall be delivered..." Joel 2:32 "Call on the

name of the Lord in prayer and He shall sustain and deliver you."

We are told in the book of James 5:16 to "Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much."

James 4:6-8 tells us,

> But he giveth more grace. Wherefore he saith, God resisteth the proud, but giveth grace unto the humble. Submit yourselves therefore to God. Resist the devil, and he will flee from you. Draw nigh to God, and he will draw nigh to you. Cleanse your hands, ye sinners; and purify your hearts, ye double minded.

You must also repent, turn away from sin. You must hate all evil in your life and fill your heart with the love and presence of God.

It is vital that we do as God's Word says in order to live a Victorious life in Jesus.

Never get involved in witchcraft knowingly. This means do not go to palm readers, etc. God has given each of us a purpose. Everything we need is in God. Never, never go outside of God and his word the Bible for anything. Jesus is all we need. Going outside of God opens the door for other spirits to enter into your life. Demon spirits that are not of God will come in.

When you get saved and filled with the power and Spirit of God, ask God to close every door of the past in your life. We learn in the Bible that devils can walk, talk, cry, preach stand, seek rest and torment people. There are

many kinds of demon spirits, such as unclean spirits, violent, lustfulness. "And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce, so that no man might pass by that way." Matthew 8:28

Read the whole Chapter of 1 Kings chapter 21. Jezebel was evil 1 Kings 21:25,26 says, "But there was none like unto Ahab, which did sell himself to work wickedness in the sight of the LORD, whom Jezebel his wife stirred up. 26. And he did very abominably in following idols, according to all things as did the Amorites, whom the LORD cast out before the children of Israel." There are two kingdoms. One is called "the kingdom of men" and the other is called the "Kingdom of God." One is called "the flesh" and the other is called "the Spirit."

We all enter the kingdom of men by the physical birth. We receive a physical nature that makes us fit for the physical kingdom in which we are to live. The only way we will be able to see the Kingdom of God and enter into it. The answer is we must have the new birth. Through the new birth, we will receive a spiritual nature. This new nature will make us able to enjoy the spiritual realities of the Kingdom of God. We must be born again because without the new birth, we do not possess spiritual life. By nature we are dead through trespasses and sin, "alienated from the life of God", not having life. (Read Ephesians 2:1 and 2:4-18. Also read 1 John 5:1,12.)

A body with physical life is dead physically. A person without spiritual life is dead spiritually. Death means separation. If we are separated from Christ whom is life, if we are dead spiritually (John 1:4). If we are spir-

itually dead, how can we get spiritual life? (Read John 5:24,25.) If we put the Bible in action Christ himself gives us the answer, and trust his word and trust God as saviour, you will receive spiritual life (1 John 5:13).

Chapter Six

Faith In God To Buy A House

I had a very bad experience when I was living in Monroe, Georgia after I left my children's father with the house that we bought together. After I moved to Atlanta, Georgia, I left the children's father in the house. He moved out of the house and did not let me know he moved. After two years went by, I received a call from my girlfriend that lived in Monroe, Georgia. She told me that she saw the house that my husband had moved out of for about four months in the newspaper under foreclosure. We only owed $10,000 on the house. I began to do all I could to try to save it. What a foolish thing I did when I went back down to Monroe, Georgia and got a white lawyer who lived in that town to help. The lawyer told me that he would help me save the house. I gave him the deeds and copied everything that I had. I came back to Atlanta to search for approval for a loan. I got approved for a loan for $10,000. The people that were going to loan me the money called the lawyer in Monroe, Georgia. The loan company called him several times and he would not return their call. The lawyer saw that I was approved for the loan. He was working against me to take my house.

After five months went by, I did not have all of the money to pay the back house notes. I sought to find another lawyer—a black lawyer. The house was so far gone that this lawyer could not help me. I paid him $100.00 to try to help me. I was so embarrassed I did not want to tell my family but I did call my cousin Conyers Garrett who lived in Monroe, Georgia. He said he had the money and would pay the back notes on the house and take the house.

I sent him to the lawyer in Monroe, Georgia who I originally obtained to help me get the house. The lawyer told him when he went into the office that the house was already sold on the courthouse steps. What had happened is that he made a deal with the lawyer that had the house I bought and he took my house.

I am sending a message to everyone that reads this book—don't trust every lawyer just because he is a lawyer. Some lawyers are crooked. They will sell out with other lawyers just to get paid. Take this from someone who has been there. Get to know the lawyer before you trust him.

God moved me from an apartment on Section 8 to my own home. I moved from McLeland Garden to Clifton Street. I had faith to get a house. So I began to look for the house and buy things for it even when I did not have it at that time. [Read Hebrew 11:1, "Now faith is the substance of things hoped for, the evidence of things not seen."] See you have to put the Word of God in action. The first house I went to look at was my house. I went to seven to eight houses after that. I went to the first house and the man took my number and told me that someone had a contract on it. So I moved on. I went to a mortgage

company for them to help me. They turned me down, BUT I did not give up. They told me the only things I qualify for was $35,000. The first house where the man took my number called and asked me did I still want that house. I told him, "Yes." He said, "give me $2,000 and you can move in." That amount was all I had saved up. So I gave it to him with rent to buy until the mortgage gets approved. I told him I had gotten approved for $35,000, he said okay. I did not know at this time that this man was facing foreclosing on his house. So it took so long for us to get the loan approved. He said he wanted at least $42,500 for the house. The mortgage company told me to get a cosigner. I asked my father and he did. I was approved to buy the house and the man had lost the house by the time I was approved. They had sold it on the courthouse steps. But God gave me that house. [Psalm 23:1, "The LORD is my shepherd; I shall not want.]

I did not know why the man did not call me to close on the house. However about five months later I received a call from the man that bought the house on the courthouse steps. He said, "I just bought the house on the courthouse steps." I told him my story about being approved to buy the same house and that I gave the owner that lost the house $2000.00 in down payment. He said since I had been approved, He would loan me $2000.00 and pay him $25 a month. He told me not to tell anyone. So he loaned me the money and we closed on the house. I lived in the house for three years. Then I got married to Bob Harris from Powerhouse of Deliverance Church. I moved with him into his house. My daughter that went home to be with God and Lorrie moved in my house to pay the mortgage for me.

Chapter Seven

Can A Person Be Set Free From Demons?

The answer is Yes—Walk in Total Deliverance. We have the authority in the name of Jesus Christ [Mark 16:17, "And these signs shall follow them that believe; In my name shall they cast out devils; they shall speak with new tongues]." Demons may cry out with loud voices when a person has been involved in witchcraft. The spirit sometimes manifest itself in several ways. It may cause the person to sit up, stand away from other people or fold their arms across the chest. It may cause them to hold their head back with their nose very high in the air. Warlocks and witches identify themselves as a spirit of pride and importance. The spirit of pride and importance will make a person think of himself more highly than he ought to think. We must deal with demons in spiritual warfare. God is raising up a people that will use spiritual weapons. [Read Ephesians the 6th chapter.]

Chapter Eight

Three Main Words For Satan's Powers

Helping me to stay delivered and have total victory in Jesus Christ.

There are three main words for Satan's power. It is Divination, Sorcery and Witchcraft.

Divination is the fortuneteller demons. They operate in revelation, crystal balls, palm reading, dreams and teacup reading.

Sorcery operates in objects such as bracelets, watches, metals, charms, rings and all metal things that bring physical contact.

Witchcraft is the very aspect of Satan's power. It operates in spells, curses and personal domination. It also controls with a powerful force.

The Apostle Paul recognized the spirit of divination operating in Acts 16:16-19,

> And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by soothsaying. The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which show unto us the way of salvation. And this did she many days. But Paul,

being grieved, turned and said to the spirit, I command, thee in the name of Jesus Christ to come out of her. And he came out the same hour. And when her masters saw that the hope of their gains was gone, they caught Paul and Silas, and drew them into the marketplace unto the rulers.

Acts 16:24, "Who, having receive such a charge, thrust them into the inner prison, and made their feet fast in the stocks."

Sorcerers

The book of Acts chapter 16 talks about the spirit of a sorcerer. Lets read what Acts 16:6-12,

And when they had gone through the Isle unto Paphos, they found a certain sorcerer, a false prophet, a jew, whose name was Barjesus: Which was with the deputy of the country, Sergius Paulus, a prudent man who called for Barnabus and Saul and desired to hear the word of God. But Elymas the sorcerer (for it is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. Then Saul, (who also is called Paul) filled with the Holy Ghost set his eyes on him. And said, O full of all subtlety and mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right way of the Lord. And now behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he

went about seeking some to lead him by the hand. Then the deputy when he saw what was done, believed, being astonished at the doctrine of the Lord."

Witches

Read Acts 13:6-11,

And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Barjesus: Which was with the deputy of the country, Sergius Paulus, a prudent man; who called for Barnabas and Saul, and desired to hear the word of God. But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. Then Saul, (who also is called Paul,) filled with the Holy Ghost, set his eyes on him. And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand.

Witches like to get close to people that's in authority and who have the power of God in their life. They seek

to get close to you when you have a leadership position in the church or if you have your own business.

They do this so they can exercise evil influence in it. I had my own business and I had a witch working for me. She was working against me and I lost a lot of clients before my eyes were opened and I became aware of what was going on. Witches like to keep people who worship God from hearing the word of God.

They are false and liars and the truth is not in them. They don't want to see no one saved and set free. They pretend to be what they are not. I have seen them. When I was going to a particular church that I will not name, I recall a witch in the congregation getting up and going to the pastor as soon as they realized deliverance was getting ready to take place in the life of others. They tried to stop the people from getting delivered.

This person will be a barrier between the individual seeking deliverance and God. I saw this happen more than once. Most of the time they have been to a fortuneteller.

It is the unseen barrier that hinders the people of God—their prayer life, their homes, their ministries, and they can't read the Bible. Until the unseen barrier is broken. Acts 16:16-18 talks about a damsel who had a spirit of divination, a fortuneteller demons. Behind that slave girl was the whole kingdom of darkness. The Apostle Paul addressed the issue and he was beaten and put in jail. Let's read it for ourselves—Acts 16:16-24,

> And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by

soothsaying: The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which shew unto us the way of salvation. And this did she many days. But Paul, being grieved, turned and said to the spirit, I command thee in the name of Jesus Christ to come out of her. And he came out the same hour. And when her masters saw that the hope of their gains was gone, they caught Paul and Silas, and drew them into the marketplace unto the rulers, And brought them to the magistrates, saying, These men, being Jews, do exceedingly trouble our city, And teach customs, which are not lawful for us to receive, neither to observe, being Romans. And the multitude rose up together against them: and the magistrates rent off their clothes, and commanded to beat them. And when they had laid many stripes upon them, they cast them into prison, charging the jailor to keep them safely: Who, having received such a charge, thrust them into the inner prison, and made their feet fast in the stocks.

There are two kinds of witches:

There are witches that know they are witches. They deal in spells and personal domination, black magic and they captivate people.

The lady that was my next-door neighbor captivated me with black magic. When I did what ever she wanted me to do because I could not help my self. She came and got in the bed with me and my boyfriend—all of this had left my memory but God brought it back to me when I gave my life to him. And HE gave me Total Victory in

Him. God told me I had a work to do for him. All of this had to happen to me so I could help people with this book.

Another type of witch is the charismatic. This one operates in Pentecostal churches to control the pastor and his congregation. They also control their own husbands as well. They will come in a home, a prayer group and control it as well.

It is never the will of God for one person to dominate another. It is never the will of God for a Pastor to dominate his congregation or a wife to dominate her husband. Whenever you see one person in domination over another person to get what he or she wants or to get their desire met, the force behind it is evil.

Rock and roll can also bind the power of God in you because most rock and roll is satanic. It brings forth evil spirits. Sorcery can bind you. Its power is associated with objects. Some time people are given things. They are not aware of the spirit behind the thing. It is very important to pray over everything that is given and bind the curse and spells associated with it in the name of Jesus.

Chapter Nine

Saul, A Sure Mark of Satan's Power

The reason I am pointing out Saul in the scriptures below is because he was a witch doctor using the power of the devil so that the people would think that he was a real man of God. The people in Samaria thought he was. They got very excited seeing the miracles that he did.

This let's us know that the devil has power also. We as people of God need to have the Spirit of Discernment from God so that we will know the true people of God. The devil has a counterfeit for everything that is of God. When you read further in the eighth chapter of Acts, you will see that the real men of God came who was Phillip preaching the Kingdom of God. The people were baptized with the Holy Spirit, in the name of Jesus Christ.

When Saul saw the people getting the Holy Spirit, he offered them money for the Holy Spirit. We cannot buy the Holy Spirit. It only will come and abide in us when we are living a clean life.

Let's read Acts 8:3-13 and see what the Bible and see what the Word says about "The Sure Mark Of Satan's Power."

> As for Saul, he made havock of the church, entering into every house, and haling men and women committed them to prison. Therefore they that were scattered abroad went every where preaching the word. Then Philip went down to the city of Samaria, and preached Christ unto them. And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did. For unclean spirits, crying with loud voice, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed. And there was great joy in that city. But there was a certain man, called Simon, which beforetime in the same city used sorcery, and bewitched the people of Samaria, giving out that himself was some great one: To whom they all gave heed, from the least to the greatest, saying, This man is the great power of God. And to him they had regard, because that of long time he had bewitched them with sorceries. But when they believed Philip preaching the things concerning the kingdom of God, and the name of Jesus Christ, they were baptized, both men and women. Then Simon himself believed also: and when he was baptized, he continued with Philip, and wondered, beholding the miracles and signs which were done."

The greatest persecution comes from the false church and the false church is the people in the church that does not really know God. They don't want to know God and they don't really understand true worship in

God. Everyone is going to know the true people of God from the false people because there will be open manifestation by God. And the one that is real for God is going to be victorious from the devil's power. Read Acts 13:1-12,

> [Now there were in the church that was at Antioch certain prophets and teachers; as Barnabas, and Simeon that was called Niger, and Lucius of Cyrene, and Manaen, which had been brought up with Herod the tetrarch, and Saul. As they ministered to the Lord, and fasted, the Holy Ghost said, Separate me Barnabas and Saul for the work whereunto I have called them. And when they had fasted and prayed, and laid their hands on them, they sent them away. So they, being sent forth by the Holy Ghost, departed unto Seleucia; and from thence they sailed to Cyprus. And when they were at Salamis, they preached the word of God in the synagogues of the Jews: and they had also John to their minister. And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose name was Barjesus: Which was with the deputy of the country, Sergius Paulus, a prudent man; who called for Barnabas and Saul, and desired to hear the word of God. But Elymas the sorcerer (for so is his name by interpretation) withstood them, seeking to turn away the deputy from the faith. Then Saul, (who also is called Paul,) filled with the Holy Ghost, set his eyes on him. And said, O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the

right ways of the Lord? And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a season. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand. Then the deputy, when he saw what was done, believed, being astonished at the doctrine of the Lord.]

Some people in the church will not repent because they want to always go the same old crooked way. Jesus told Nicodemus in the third chapter of St. John that he must be born again.

Be aware of some people that speak well of you. Jesus said in Luke 6:26-28, "Woe unto you when all men shall speak well of you! For so did their fathers to the false prophets. 27. But I say unto you which hear, Love your enemies, do good to them which hate you. 28. Bless them that curse you, and pray for them which despitefully use you."

Also read Matthew 8:28-33,

And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce, so that no man might pass by that way. an, behold, they cried out, saying, What have we to do with thee, Jesus, thou Son of God? Art thou come hither to torment us before the time? And there was a good way off from them an herd of many swine feeding. So the devils besought him, saying, If thou cast us out, suffer us to go

> away into the herd of swine. And he said unto them, Go. And when they were come out, they went into the herd of swine: and, behold, the whole herd of swine ran violently down a steep place into the sea, and perished in the waters. And they that kept them fled, and went their ways into the city, and told everything, and what as befallen to the possessed of the devils.

Acts 8:5-11 reveals a sure mark of Satan's powers. It reads,

> Then Philip went down to the city of Samaria, and preached Christ unto them. And the people with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did. For unclean spirits, crying with loud voice, came out of many that were possessed with them: and many taken with palsies, and that were lame, were healed. And there was great joy in that city. But there was a certain man, called Simon, which beforetime in the same city used sorcery, and bewitched the people of Samaria, giving out that himself was some great one: To whom they all gave heed, from the least to the greatest, saying, This man is the great power of God. And to him they had regard, because that of long time he had bewitched them with sorceries.

He took the glory of God for himself. He pretends to be a great man of God. He had the whole city under bondage. This man was controlling this whole city work-

ing under the power of witchcraft. He was a witch doctor. This was why there was such a manifestation of evil spirits in the city of Samaria because of the power of witchcraft that dominated over that city. And when witchcraft is in power when deliverance is taking place, there will be a conflict between two kingdoms—the Kingdom of God and the kingdom of Satan. These two kingdoms are brought into the open. Witchcraft can break up your home. It can cause a husband to leave his wife.

Chapter Ten

What The Bible Says About An Overseer.

If you are a Pastor or Bishop, the Holy Spirit has made you on Overseer to feed God's people. When we have been put in charge by God, we have to live a clean life so that God can use you. If God leads you, the people under you will know that it is God. If they stay in tune with God.

In Acts 20:28 the Bible tells us to, " Take heed therefore unto yourselves, and to all the flock, over the which the Holy Ghost hath made you overseers, to feed the church of God, which he hath purchased with his own blood."

A husband is an Overseer because he is the head of his home. He needs to take charge and be a man. A woman knows she has protection in Jesus but she wants to know she can depend on her husband to take care of her.

The husband needs to work. The Bible says if a man don't work, he doesn't eat.

A man desiring the office of a Bishop needs to read 1 Timothy 2:1-5,

> This is a true saying, if a man desire the office of a bishop, he desireth a good work. A bishop then must be blameless, the husband of one wife, vigilant, sober, of good behaviour, given to hospitality, apt to teach; Not given to wine, no striker, not greedy of filthy lucre; but patient, not a brawler, not covetous;

> One that ruleth well his own house, having his children in subjection with all gravity; (For if a man know not how to rule his own house, how shall he take care of the church of God?)

The husband is the head of the wife even as Christ is the head of the Church. The Bible tells wives in Ephesians 5:22 to submit themselves unto their own husbands, as unto the Lord. Let's see what it says—Ephesians 5:22-33,

> Wives, submit yourselves unto your own husbands, as unto the Lord. For the husband is the head of the wife, even as Christ is the head of the church: and he is the saviour of the body. Therefore as the church is subject unto Christ, so let the wives be to their own husbands in every thing. Husbands, love your wives, even as Christ also loved the church, and gave himself for it; That he might sanctify and cleanse it with the washing of water by the word, That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish. So ought men to love their wives as their own bodies. He that loveth his wife loveth himself. For no man ever yet hated his own flesh; but nourisheth and cherisheth it, even as the Lord the church: For we are members of his body, of his flesh, and of his bones. For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh. This is a great mystery: but I speak concerning Christ and the church. Nevertheless let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband.

Chapter Eleven

I Gave My Boyfriend Up To Live For God; And God Gave Me A Husband.

I went through this with my boyfriend. A person cast a spell on him and he left my home and did not know why he left. But he came back because he was living with me. They have tried to pull husband, Robert, away from me, but it just won't work again, because I know who I am.

You read earlier in this book when I was praying in the ladies home and the toilet broke. You see, when you read Acts 8:30-34,

> And Philip ran thither to him, and heard him read the prophet Esaias, and said, Understandest thou what thou readest? And he said, How can I, except some man should guide me? And he desired Philip that he would come up and sit with him. The place of the scripture which he read was this, He was led as a sheep to the slaughter; and like a lamb dumb before his shearer, so opened he not his mouth: In his humiliation his judgment was taken away: and who shall declare his generation? for his life is taken from the earth. And the eunuch

answered Philip, and said, I pray thee, of whom speaketh the prophet this? of himself, or of some other man?"

Demon spirits have to go somewhere when they are cast out. That is why it's so important that you stay prayed up and fast when you are dealing with demon spirits.

Women, I know you read in my book that just because you live with a man don't make him be your husband after you get saved. God will give you a husband if you live right. If a man is getting everything from you that he needs before you marry, then most of the time they will not marry you. I've seen this happened more times over and over again. Most of the men that do this just want some place to lay their heads. I wanted to marry the man I was living with before I got saved but he did not want to marry me. But I know now it was not the will of God! God gave me a good man...a saved husband. Amen

Chapter Twelve

The Call of God to Pastor A Church

When I was in Powerhouse for seven years God spoke to me and told me to go and Pastor a church. I did not want to go because I knew that Church of God in Christ (COGIC) did not have women Pastors. So I did not obey God right then. But God began to make me so unhappy in that church. I could not rest. It looked like everything in the church came against me. It even looked like the Pastor was against me. So I began to pray and ask God if He really wanted me to Pastor.

God show me in a dream—I had a dream that a big hand was pulling me out of the church and I was saying, "I don't want to go." The hand kept pulling me out of that church, so the next day I went to my Pastor, Murphy Pace III and told him that God had called me to Pastor a church. He released me to go. I left that church the correct way. I sent him a letter and informed him of when I was leaving. My husband left as well. He works with me in the ministry.

About two months later, God opened a door for me on Moreland Avenue in a little store front church in Atlanta, Georgia. The Pastor that was in the building was Elder and Sister Carter. At that time, they let my husband

and I use their church. I was there for two years. God sent people in. I had enough members to pay the church note each month. Not one time did I have to pay out of my pocket.

I had about eighteen members including my older daughter and her family, my mother and father, Carol Hardy, a brother and his wife and her mother, and my husband and I. The tithes and offering paid the church bills. Sometimes we did not have enough money collected from the tithes and offering to pay the bills so I would have special programs and invite other Pastors in to minister.

When I first began to Pastor, I had a Women's Conference at a hotel. A witch tried to stop the conference, but God gave me the victory. I noticed her sitting all the way in the back of the room. We were having a prayer breakfast. At this time, I did not know she was a witch. She was standing away from the people and was by herself. I dropped my video camera and broke it the first night of this meeting. The meeting lasted about seven days. She was there every night. Her husband was there also. He had told me about her and himself, but I was so hungry for members I looked over every thing. He told me that he used to be a Warlock.

My daughter Cynthia was in Pastor Wiley Jackson's church when I began Pastoring. She would visit my church every once in a while. I began Pastoring on February of 1998. In that same year, Cynthia walked in my church to worship with us for five months.

She could not move her body. She could not walk. I said, "Lord this is the devil trying to stop me from Pastoring a church." I had to go and be with her at the hospital. She could not even move. But she gained her

strength back in 1998. She started walking and working again. She had her own business as a nanny service. But one year later, she could not walk again. She was paralyzed from the waist down. This time she was in a wheel chair.

When she came home from the hospital, she was not able to live by herself but she could use her upper body. I had to go over to her house every night and put her in the bed. A visiting nurse took care of her for three hours. The nurse got her up and gave her a bath.

I continued to Pastor during this time. I did not give up the church. Then one year later, Cynthia got paralyzed from the neck down. This time she could not live alone. The doctor said she had M.S. This was in the year 2000. I had to give up my storefront church and move her in the house with me and my husband to take care of her. She had one son named Samrico. He was living in Woodberry Forrest Boarding School.

Even though I had to give up the storefront church building, I did not stop from Pastoring. I had church at my house every Sunday. And Bible study every Wednesday night. I also went to Carol's home to conduct Bible study every Tuesday night for two years

During the time Cynthia was at Piedmont Hospital, Cynthia stayed in the hospital for 6 to 7 months. The reason she stayed in the hospital so long, I had to make up my mind whether to take her to my home or send her away into a nursing home. They sent me all the way to Savannah, GA to look at a nursing home. When I went there, I said I just can't send her. I prayed and I cried, my husband went with me. I knew that I would not be able to take car of her because it was just my husband

and I. But I said God I can not put my daughter in there. So my husband knew I was hurt of the idea of just Cynthia being 500 miles away, I can't do that God, please work something out for me. So God touched my husband's heart and he said you can bring her to our house. And if you read this book you will see in it where God gave me help in 3 weeks. So God worked it out for me. He has not ever let me down. I thank God for that.

Chapter Thirteen

Persevere Into Open Doors

You read early in this book where I had a baby girl at the age of seventeen and at that time I had to drop out of school. I had to stop school in the tenth grade. But I did not let that stop me from finishing school. When I moved to Atlanta, Georgia, I enrolled in Decatur High School and I finished the twelfth grade there in the year of 1987. In the year of 2000, I went to Cedar Grove High School and took up Computer training and I have honorably completed the requirements of the course of study of the Family Technology Resource Center. I was awarded a certificate. This is just one of the certificates I received out of many.

I was born on September 24, 1945 so you know I am not very young. But don't you ever give up on your dreams. I am also going to further my education. In the year of 1997, Elder Bob Harris, my husband, and I was given a plaque and a 14K gold plaque for an appreciation for the support of the "Say No To Drugs" campaign. When I was attending Powerhouse of Deliverance Church, my Pastor gave me all kinds of rewards, such as, a trophy that said, "The Most Outstanding Auxiliary Leader—Lillie Mae Harris—1992." The Most Outstanding Soul Winner—Lillie Mae Harris—1991. 1996—Woman of Destiny From First

Lady Liza Pace Received a certificate that said, "The Most Dedicated Services Rendered as President of The Pastor's Aid Committee, 1990-1997. Certificate of Appreciation stated, "Lillie Mae Harris has given exceptional service and has attained special recognition for excellence in the Auxiliary as a very hard worker. Presented to me on February 17, 1991 by Pastor Murphy Pace III and Sister June Pace Martin. Certificate of Appreciation—same as above but it stated Dependability and Faithfulness. From Missionary Doris Andrews. This is just to let you know why God has entrusted me as Pastor.

Also my husband and I received one on "The Most Supported Member" from Pastor Murphy Pace III. Also I was given lots of service and chances to use the gift that God has given me from our State Supervisor, Gwenlen Howard about six to seven months before she took sick and went home to be with God. She let me speak in her women's Convention in Miami, Florida. She could have got anyone because she had lots of District Missionaries, but she said, " Sister Harris, God said to let you speak in our convention. She was under Church of God In Christ. I had not been a missionary that long at that time and had not ever spoken except in my church. But God blessed me to speak the way He wanted it to be. Mother Edna Hensley was one of the District Missionaries. She said, "Sister Harris you spoke like you had a P.H.D. Mother Hensley is also gone home to be with God.

I was also given another chance to speak in Memphis, Tennessee in our Holy Convocation. I spoke to hundreds of people from all over the world. My Pastor at that time was Pastor Murphy Pace III. He let me speak.

See your gift will make room for you. God will open doors.

One time I was flimflammed by a man at a shopping mall. I had just lost my video camera and I wanted another one. A man came up to me in the mall and had a box. He was all dressed up with a picture of a video camera on it. He asked me "did I want to buy it." I sad, "Yes." And I took it and gave the man $100.00. When I opened the box it was a box of rocks. I am sending this message to all senior citizens to be aware of people trying to swindle you out of your monies. People need to be aware of the schemes that are going on in the time we are living in. You need to watch as well as pray.

Chapter Fourteen

My Grandson Faced Two to Ten Years in Prison; But God Brought Him Out in One Year

During the year of 1998, my two grand sons were playing the drums and organ for the church. Ricus played the drum and Daris played the organ. One day God showed me that Ricus was doing something wrong. I prophesized on him and God told me to tell him if he didn't stop what he was doing He was going to move him out of my church. The next week he was in jail. God spoke to me and said, "I want you to go to DeKalb County Jail every month and minister to Ricus." I obeyed God. Ricus said, "Grandmother, I did not do that crime." He was in for holding a gun on one man and putting him in the trash can. Two other boys were with him, but they were never caught. I went every month to see him and ministered to him. He kept saying," Grandmother, I did not do this." He was seventeen at the time.

I had to walk down a long hallway in the jail to get to him and talk to him on the phone. I had to look at him through a window. I began to believe that Ricus did not do the crime. So I went to the District Attorney's office in Dekalb County court house. My husband and I went

together with a book I got from Reader's Digest entitled, "Know Your Rights." The District Attorney looked at me and I said, "Ricus did not do the crime. But they still would not let him go.

Eventually they gave me a Public Defender named Jim Michael. He was very nice. The best lawyer I ever worked with. I did not have money to pay a lawyer so they appointed me one. I kept going to see Ricus. Trying everything to get him out. I went to Hosea Williams. He said he would try to do all he could to help me. I went to Mr. Williams because I thought my grandson was innocent.

I continued to pray and talk to God about him. God began to show me in a dream that Ricus was going to get out. I saw him getting out of jail. So I went back to the jail and told him "that I see him getting out of jail." He looked at me because he believed in me. So I don't know who heard me in the jail when I told him this, but the jailers went on my "Gift" and asked him for a plea bargain. When I went back to see him, he said, "Grandmother, guess what? The lawyer or whoever came and asked me if I knew any body that did the crime and I told them who did it. I will get out after one year in jail." He had been in jail for nine months at that time. I looked at him and said, "I thought you told me you did not do it, so how will you know who did it if you did not do it, Did you do it?" He said, "No." I knew then that something was not right. I went and told my daughter, Cynthia, (Ricus' aunt) she was at the house I gave her on Clifton Street. She said, "Mama, you know he is not telling you the truth about this. When you go back, you look him in his eyes and tell him if he doesn't tell you the truth you will not visit him again or give him any money."

So when I went back to the jail, I told him what his aunt, Cynthia, told me to tell him. I looked him in his eyes and asked him, "Did you draw the gun on this man and put him in the trash can." He answered, "Yes, grand mother, it was me." I was so hurt. I left the jail with tears in my eyes. Before I left, I told him to tell his lawyer and that I believed that they were going to keep their word. I called the lawyer and he told me to be in court and gave me the date. I was there. He was facing two to ten years for this crime. When I got in the courtroom the lawyer, the judge, and all who was suppose to be there were present. I went in the back of the courtroom and prayed to God to bring him out of this. The lawyer told the judge that I have my own church and Ricus was in it and that if they let him go, they believe I would help him to stay out of trouble.

The judge was nice. She said, "No one ever comes into my court room with a case involving a gun unless they get at least two years in prison. I don't know why I am doing this, but if you ever get in any trouble again, you are going to prison." He said, "Yes, ma'am."

My grandson was facing up to ten years in prison for armed robbery. But God got him out! They let him out within three months. I moved him in the house with my daughter Cynthia for a while so I could watch him. He had to be in the house by 8:00 PM every day. He had to do "Community Service" every Saturday. It was mandatory that he get a job or go back to school. What I really wanted was for him to go back to school. So I prayed to God for that. I was told that he would not get back into public schools. He would have to go to Eternal school. But I had the faith for him to get out of prison and I had

the faith for him to get back in public schools. Do you know God lead me to a person and that person let him back in the public school. He will complete high school this year—he is in the twelfth grade. He got put back a little, but he has made it! I thank God for proving Himself to me for my grandson.

When Ricus got out of jail, I said," I am not ever going back to that jail again." Do you know one Saturday, I was leaving the jail with the head Chaplin who was meeting me. He asked me to show him my credentials. I looked at him and said, "I have been coming down here for one year." He said, "That's okay. Let me see your credentials." I took them out and showed them to him. He said," Church of God in Christ" I said, "I am not with them now. I have my own Church." He said, "How about you coming down here to minister to the women in jail?" I sad, "Okay. I will be happy to. But I did not know women was in that jail." He said, "Oh, Yes,." So he sent me to the Head Chaplain over the women's jail. She scheduled me to minister on the third Sunday of each month.

Now I also minister every fifth Tuesday night for Bible Study. I try to do minister one-on-one at least once a month. I love the prison ministry. I have helped some that have gotten out of jail and gave their life to Jesus Christ.

God have blessed me in this ministry. I used to write letters when they go to prison. I loved doing that also.

Chapter Fifteen

God Worked Through The Doctors To Heal My Legs From Paralysis, Pain, and Suffering. God Also Healed Me From Cancer.

God healed me from cancer. During the time Cynthia was in Piedmont Hospital, I went to the doctor for a breast check up exam and the doctor informed me I had to get a biopsy on my left breast because they saw a lump. So I went in the hospital for them to cut this out of my breast. After it was removed, the doctor said they will let me know if it is cancerous. The kind of lump we saw is usually cancerous, the doctor said. So when I went back, the doctor said you don't' have cancer. God is so good!

I also had to have my hand cut after Cynthia came to live with me. My hands had been hurting me for a long time, but in the year of 1998, they began to hurt so bad I could not even use them. So, the doctor gave me some splints to wear on both hands. I wore them for 2 years night and day. But my left arm began to hurt me all the way down to my hand. The doctor said that I had Carpal Tunnel in both hands. He operated on my left hand. I

went in the hospital as an outpatient. Cynthia was at my house. At night the nurses would leave, so it was just myself, if my husband was not there, I used one hand to change the bed and pull her over if she needed me. God gave me the strength to do what ever I could do for her.

I went through a lot, but I did not give up on God? NO! Did I stop having church? NO! Did I stop going to the jail? NO! did I stop having bible study in other people's homes? NO! We must keep doing what God has told us to do no matter what we go through.

Cynthia would cry because she knew I was hurting but, still trying to do what ever I could for her. She would cry if my husband would leave the house before I put my clothes on and she knew it was not anything she could do to help me. But I thank God for my testing.

In the year of 2000, I began to get very sick. It actually started happening in 1998, but the doctors did not know what was wrong with me. I kept on doing what I could do in the ministry. I did the same as I always do. I got so weak I could not pull the sheet up on my bed. I was loosing all of my strength also. I went to Grady Hospital. They gave me all kinds of pills. But they did not help me. So in the year of 2002, I got so I could not do anything. Not even clean or cook. I would just lay down all of the time. Sometimes set in one place. It took me one hour to get out of bed. I said what is this. I am going to be in a wheel chair and I was for a while. In the grocery store I could not stand for more than thirty minutes unless I gave out.

God Healed My Legs From Arthritis

That same year, I took a MRI. They said I had Rheumatoid Arthritis, a slip disk, and a pinch nerve in

my back. But nothing was doing me any good. So the doctors referred me to Rheumatology Clinic and that was the best doctor in the world. I had not picked up my feet to wash them for two years. I was so bad off and was in so much pain. Do you know the pain stopped in my legs and I was able to wash my feet after three to four days. I was so happy.

The medicine the doctor gave me made me feel like a new person. I still had pain elsewhere and was very weak in my shoulders. But I thank God for the doctor - for knowing what was wrong with me!

Chapter Sixteen

Cynthia Jackson Is Gone Home To Be With God But She Is Not Forgotten.

Cynthia Jackson finished high school with honors. She was number five on the honor roll in her class. She finished at Bass High School in Atlanta, Georgia in the year of 1984. After Cynthia finished high school, she went to Georgia State University in Atlanta. She went there for three years and nine months. Cynthia only needed three more months to obtain her Bachelor Degree in Computer Science when she became sick.

All of my girls finished high school and also went to college. Carliss Yvette finished the twelfth grade at Bass High in 1981 and she took Technical Data Entry in computer and received a certificate. Lorrie Ann was number two on the honor roll at school when she finished high school at Bass High in Atlanta Georgia in the year of 1985. Lorrie Ann, my baby daughter, also went to University of Georgia in Athens for two years. The last two years she went to Georgia State University in Atlanta, Georgia where she received a Bachelor Degree in Computer Information Systems in Business Administration in the year of 1991. I thank God for them.

Cynthia was a very smart girl. I hated that I could not do anything for my daughter Cynthia anymore. So she moved out of my house into another house in the year of 2001. She moved in with my mother to help take care of her. I would go over but it hurt me so bad because I could not move her again or help do anything like I used to do for her. But God blessed me with nurses who stayed in the house to take care of Cynthia for twelve hours a day. My mother watched her at night.

In 2002, her son got out of college. He was in Middle Berry College in Vermont. He came and started school in Atlanta, Georgia. My mother got sick and she could not help with Cynthia anymore. So her son had to change schools to be with her for a year at night before she went home to be with God.

It hurt me so bad to see her dying. She told me she was ready to go. She was tired of the hospitals. She was on a breathing machine and had a tract in her throat. She got on the breathing machine two years before she died. She was on it night and day.

When she moved, I still had church at her house. I went to her home once a month and had church in her living room—Cynthia never forgot her church family and friends. She always had a smile on her face. She never stopped watching or listening to Christian television. She never lost faith and hope. She believed God was going to heal her until the very end. I spent the night in the hospital many times. But the last time she was in the hospital I knew it would not be long before she would be gone. Because God sent an Angel to me in a dream and he could not take her until I released her—until I was ready for her to go. I cried night and day right after that. But I told God

if he was not going to heal her, to take her on. So he did. She tolerated pain. She could not move her sore body, her feet and legs suffered from poor circulation. She was tired of the hospital. She was just tired and sick of being tired. She was ready to meet her maker. Cynthia died on December 5, 2002. She was 37 years old. We honored Cynthia's life with a joyous home going ceremony.

It was Cynthia's words and faith in a publisher's vision for me to write a book. If it had not been for her, this idea would still be a dream instead of a dream come true. She and I prayed together through sickens, disappointment, through financial troubles, heartaches and pain. She was a person who agreed with me for total victory to pursue and to go forward.

She cried with me and she rejoiced with me. For at least 5 years of her life she was ill and paralyzed with poor circulation. But her mind was good until the very end. She enjoyed dressing up, putting on makeup.

During her last year of sickness, I, her mother experienced the pain and hurt seeing and hearing her prepare and talk about death. Her body was breaking down. She was not able to eat. She could not move her body from the neck on down. She never forgot how to pray for others.

You see, a saint doesn't die, they just sleep away. Know that when a person dies in God, if you are saved and live right, you will see them again. They are absent from the body but present with the Lord.

The death of a Christian is not the end of life but a new beginning. It is a release from the trouble of this world. It is a welcoming to a better place—our Father's house where there are many mansions and where we will

receive a crown of righteousness. Cynthia is gone but not forgotten She is gone to be with God! (Psalm 116:15, "Precious in the sight of the LORD is the death of his saints.")

We had Cynthia's home going on December 11, 2002, it was raining so we could not put her in the grave that same day. So the mortuary called me about three weeks later to go and watch them put Cynthia in the ground. My husband was busy and could not go with me. My grandson, Cynthia's son, had a job interview and could not go. So I had to go and watch them put her in the ground by myself.

When I got there the lady asked me was it anything that I wanted to say. I said, "No." But I stood there looking at the casket being rolled down into the ground. After they got it in the ground, I picked up some dirt and I said, "Ashes to ashes and dust to dust." As I put the dirt on top of the casket, they put the lid on the box in the ground and covered it up with dirt. Then they left. They left me there alone while they were going to their car. So I said a prayer over Cynthia. I said, "Cynthia, you are with the Lord now so rest on Cynthia, rest in peace." I felt a warm spirit all over my body like a quickening when you are happy and getting ready to jump and praise God. It was like a spirit came from down in the ground of the grave. It has been so hard for me to understand this. I have been wondering was it ministering angels of Cynthia's spirit visiting me. This was the first time I ever had any one close to me die. But I know Cynthia is not dead she is asleep with Jesus.

I had a dream about four months after Cynthia died. In the dream I saw her having a home going all over

and her son was rolling her in the church. I was the one to preach at her home going. She was awake stomping her feet and clapping her hands. I looked at her and said, "Look at you. You are just stomping your feet and clapping your hands. You are not dead. Get up and show these people that you can walk." The casket broke open and I awoke from sleep screaming for my husband to come in the room. He came and asked me what is the matter. I told him that I had a bad dream. My husband is an Elder in my church. He said, "You did not have a bad dream." When I told him what I dreamed, he said, "That was a good dream. God is letting you know that Cynthia is all right. So you don't have to worry about her." I have not dreamed anything like this since. But I do see her every once in a while in a dream.

Chapter Seventeen

A Powerful Testimony of The House I Live in Now.

Favor got me my first home and favor also got me the house I live in now.

Here is my testimony of where I live now.

I have given thousand of dollars in my Church. I pay my tithes and I gave good offerings. I went without just to help the Church—but my giving was not in vain. In the year of 1993, a Pastor that was under my Pastor spoke a word to me during a church service. He said," I see you and your husband with a house, with a lot of land." At this time, I was living with my husband in the house he had. I wanted to move. I was thinking to myself that my husband is not going to move because the house we were living in was almost paid for. So I went home and I told my husband what the Pastor had told me. My husband said, "If I move, it is going to have to be God because my house is almost paid for."

So I began to put the words that were spoken to me in action. I got up and went to a Real Estate and we found two houses that we wanted. We put a contract on both of them. We did not get either one of them. In 1994, I began to look in the newspapers. I found a house with

4-3/4 acres of land. I told my husband about the house. My husband said, "How much is that house." I told him it is a brick house with seven rooms and a little hall and it is $70,000. We had looked at a lot of houses with land. But we only qualify for a $70,000 house.

My husband said, "I don't want to see that house because it's not any good." The reason he said this was because it had 4-3/4 acres of land and the house. All of the other houses we had looked at with land was over $100,000.00. I did not give up. I began to pray. I told God to touch my husband 's heart to look at this house. God answered my prayer. My husband went and looked at the house. When he saw it he liked it. We called the man. He said, I would let you have it for $65,000. My husband talked him down from the original price.

We were so happy and began to get ready to move. The man let us move into the house before we closed the loan in November 1994. The man called us to go to the closing. We were going the next day. We stayed off from work getting ready for the closing. The lawyer called and told us, "you cannot close on that house because we found 23 leans on your house. We were so sad.

The owner came and told my husband, "You got to began paying me some rent." My husband told him, "I have a signed contract to buy and I am not paying any rent." So he said, "you are going to have to move then." My husband said," All of this work we did to move in and no way you can put me out. God gave us this house and this is mine." So the man did whatever it took to get the 23 leans off of the house and we closed on the house in December 1994. We love this house with all of this land.

So if God speaks through a person if it's God it will come to pass. But you must exercise your faith. "Faith without works is dead" (James 2:17).

The Sewing Plant

When I was living in Monroe, Georgia, I worked at a sewing plant called Oxford Manufacturer. I had a job sewing pants in the seat. On one day, the people took me off of my job and put me in the Oven Room where the pants were to be pressed. You picked them up on a rack on the hangers about five pairs at a time. Then you put them in the oven to go around. When they come out, they are pressed.

Before they gave me this job, I had been there about four years sewing pants in the seat. They put a white girl on my job. I worked in the Oven Room for one week. It was so hot that water was running off of me. My back started hurting. I said in my mind, "God help me. I can't do this." I said in my mind, "They are using me." All I could think of was that they did me wrong.

A lady that worked in the Oven Room as well said to me, "Honey, you think it's hot, you ain't seen nothing yet." I really got mad then. So I went to the office and I told them that I had a bad back and I just can't do this job. So I walked off that very same day. I went home.

The Plant Manager said, "You told us you would try the job." I said, "But I can't do it." So I left and got another job in Winder, Georgia at a Chicken Plant. About six to eight weeks went by when I received a letter in the mail from Oxford asking me to come back. They stated in

the letter that they would give me my job back. I thought about it for a while. I decided to go back to work at Oxford. What had happened is the white girl that they put on my job had quit and they needed me back. So God was on my side. He has never let me down!

Another Powerful Testimony.
Working in Buckhead

I was working for an old lady in Buckhead on Peachtree Street in Atlanta, Georgia. Her name was Mrs. Polly. I would go over every week to clean her house. She always gave me things to take home. One day, she gave me a table. I put the table in the trunk of my car. I was driving home going about forty miles an hour when a white man got behind me and began to push my car with his car. I put my foot on the breaks to slow the car down as much as I could. He was pushing me so hard that my lower back began to hurt. People saw this happening and began to run toward the car. So I pulled over and stopped the car. The man pulled over on the left side of me. I was on the right. He got out of his car and went in a store. The people that were at my car told me not to say anything to him because he might be insane. So I just looked at him. The people called the police for me. The police came and wrote up a police report. I then went on home.

The next day the police called me and told me that this man was pushing my car was dead. I said what happened. They said, "Lady you are lucky." That man was insane. We got behind him and he jumped out of his car and began to fire his gun at us. so we had to fire back in self-defense. I sad, I thank God for watching over me. I

am Blessed. The police said you sure are. Bless God, He took care of you.

Burglars

When I moved into my house on Clifton Street, my next-door neighbor had a son who was on drugs. He played the drums for Monument of Faith Church. As soon as I moved in on Clifton Street these two young men came to welcome me in the neighborhood. They came into my home and asked if they could help me with anything. I told them they could take out my trash. Because he was in my church, I trusted him.

Do you know these young men came back in about three weeks later and broke into my house and stole my TV, VCR and everything they could get there hands on. I came home from church about 10:30 PM one night and my window was broken out. I saw the young men that lived next door running from the window. God let me see him plain. At this time, I was a praying woman and I still am. But at this time, I was not married and I had more time to spend with God. I did not even watch TV that much.

I called the police and they came and stayed with me all night. The next day I saw the boy. I said that is him. Because I just had moved in, I did not recognize the boy that was with him. So I called the police back and told them that I knew who broke into my home. They said if no one else didn't see him come into your house, we can't lock him up. So I just left this in the hands of God.

God showed me in a dream two times after that incident that they were trying to get back into my home. I would always see what they were trying to do and fix it so that they couldn't break in again. I put chairs and tables against all of the doors. I locked all of the windows. I made it very hard for anyone to break into my house.

About three to four months later, I received a call that the boy, my neighbor, was dead. He was shot down on the street for drugs. I never told his mother that he broke into my home. But I went over to her house and took food and I also went to the undertaker to see him. She had him put away like a Bishop. I looked at him for about five minutes. I said, "God , I never thought I would see him again like this." I dropped my head and I left. God will take care of his own. God began to speak to me. God said, "You are an Evangelist. You lived next door to this young man and you did not tell him that there was a better way. That he could be saved." I asked God to forgive me for that.

Chapter Eighteen

How To Receive The Seven Blessings of Abraham.

In order to receive the seven blessing of Abraham you must be willing to give. Read 2 Corinthians 9:7, "Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver." See God wants us to love others more than ourselves. Giving doesn't have to be money all the time. You can give a helping hand. Give a smile. If someone needs food, you can give food. Help people that cannot do any thing for themselves. Like giving them a bath, washing their clothes. Being concerned about their needs before ours. Cleaning their house. And you should be glad and happy doing what you do because it is a ministry. Galatians 6:7 says, "Be not deceive; God is not mocked; for whatsoever a man soweth, that shall he also reap."

Remember, whatever you do, good or bad, you are sowing a seed. If you sow good seed then you are going to reap good. If you sow bad seeds you are going to reap bad. So be careful in doing whatever you do. And do it as if you're doing it unto the Lord. God loves a cheerful giver. All of my life I put other people before myself. God

has richly blessed me. God have given me favor with man and women. Favor is better than money in some cases.

I must impart the "Seven Blessings of Abraham's" revelation into your life. This prophetic revelation will bring healing, success, and prosperity to you. God sent me to you through this book to tell you that your storm is passing over. That whatever problems you are facing today, and circumstances you find yourself in at this moment, is not a place of permanence! You are a just in a storm. So be calm in the storm. "For . . . weeping may endure for a night, but joy cometh in the morning" (Psalm 30:5).

God has promised you, "... I will never leave thee, nor forsake thee" (Hebrews 13:5). When you are walking through your darkest hour and all hell is camped on your doorstep and you look for Jesus and he doesn't seem to be there. Remember: This will pass! And when you stand the test, God will give you "...treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name..." (Isaiah 45:3).

God is ready to release the Seven Blessings of Abraham in your life. In the 22nd chapter of Genesis, God tested and proved Abraham by asking him to give his only son as an offering to Him. Sometimes you must be willing to give God your all . . .even what you love the most. As it was with Abraham, God waited until the last POSSIBLE MINUTE to bring answer. He may not come when you want Him, but He is right on time. It was a complete test of faith. But God revealed to Abraham a new miracle revelation—God will provide! (Genesis 22:8, "And the LORD God planted a garden eastward in Eden; and there he put the man whom he had formed.")

Why are you, as God's child, going through so many troubles? It seems so unjust. So unfair that his children have to struggle with unhealthiness, bills piling up and then to top it all off, it seems like the ones you love the most, the ones you do so much for,; they are the ones that treat you the worst. Am I talking to someone?

I assure you, the revelation: "God will provide" comes only after you have been tested and proved. When God called out to Abraham the FIRST time in Genesis chapter 22, He was saying, "Abraham, I'm going to test you. I am going to prove you! God was telling him I am ready to move you on up a little higher and give you the greatest blessing. The world has seen... Abraham ARE YOUR READY!

Abraham answered Faith's challenge. He said I am Ready. Here I Am! Will you answer God's call. Will you let Faith rise up to answer, "Lord whatever it is, whatever it takes—Here I am!"

The very next thing in Genesis the twenty-second chapter, God spoke a blessing into existence into Abraham. It was after God proved Abraham. Abraham was willing to obey God and suffer the death of his only child! God speaks to Abraham in Genesis 22:16-18 and said,

> By myself have I sworn, saith the LORD, for because thou hast done this thing, and hast not withheld thy son, thine only son: That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which *is* upon the sea shore; and thy seed shall posses the gate of his enemies; And in thy seed shall all the nations of the earth be blessed; because thou hast obeyed my voice.

Seven blessings in all came unto Abraham because he did not withhold from God and he did not begrudgingly give.

When Abraham was in trouble, his faith stepped up to the test! His offering proved God as God is proving you and I.

Did God bless Abraham after he had been tested and proved? Let's read just two chapters later what Abraham's servant said in Genesis 24:35, "And the LORD hath blessed my master greatly; and he is become great: and he hath given him flocks, and herds, and silver, and gold, and menservants, and camels, and asses."

You can have the seven blessings—through obedience to God. The only way you can stop or prevent the seven blessings from flowing in your life is in your disobedience to God.

God is a God of completion. The number seven represents completion! Why did God use the number of seven as completion? There are seven days in a week. Seven times the Leper had to dip in the Jordan to be healed. Seven times Joshua had to march around Jericho, and on the 7th day, the walls fell. Jesus said to forgive seven times seventy. There were seven angels, seven churches, seven golden candlesticks, seven trumpets, seven vials, seven scrolls, and there are seven (God's number) Prophetic Blessings of Abraham.

God has blessed Lorrie, my baby daughter with twins—a girl and a boy. They were born in November 2002. Their names are Lurren and LaMarr Randolph. Father God, I thank you for being so kind to me, you took Cynthia home but you gave me two more grand children to love.

Heavenly Father, I thank you for Mrs. Ollie, Lorrie's mother-in-law. You sent her up here to help Lorrie with the twins. God bless Mrs. Ollie she is such a kind and nice person. She is the only one that puts other people before herself. God give Mrs. Ollie the desires of her heart. Lead and guide her on everything she does. Fill her with more of your Holy Spirit. Amen.

I could not say this at her home going so I am putting this in my book. May God richly bless you and your families and fill them with His Holy Spirit. Amen.

put your hands into doing to raise money for the church or anything concerning the church. I pray II Corinthians 6:1 which says, "We then as workers together with him beseech you also that ye receive not the grace of God in vain." Women that have a husband and a family do what ever you can do to keep your marriage and home together love one another. But love God first. Pray for the leading of God on your homes and life. God don't need us but we need God. If you women of God are not real, seek God until he helps you be real. As your National State Mother, I personally say to you from Ecclesiastes 9:10, "Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom, in the grave, whither thou goest." Father God, I thank you for Sister English, Cynthia's best friend. She was a friend until the very end. She was always there for Cynthia and gave a lot of time without pay. Bless her father and don't let her and her family want for anything. God give her the desire of her heart, in Jesus name. Amen.

Father God in the name of Jesus, bless Cynthia's church family. They were always giving her food, clean-

ing up for her, giving their time just to go help Cynthia and they prayed for her I am sure. God don't let Gospel Tabernacle Church family want for anything. Supply their every need. And I thank you for giving Cynthia such a fine church as Gospel Tabernacle. In Jesus name. Amen.

A special prayer: Heavenly Father in the name of Jesus, I thank you for my grandson, Cynthia's son, Samrico. I thank you for giving him a wife after his mother died. You have given him a little girl named Elizabeth, and a wife, Melissa. Father God at this time they are at West Cobb Women's Center Hospital. The baby was born in August, 2003. The baby is on a breathing machine and has IV s in her little hands father God in the name of Jesus, please bring this little girl out and heal her and make her whole. Father God I know you can do all things and nothing is impossible for you to do. For you healed her from pneumonia that they said she had, in Jesus name. Amen. But God we thank you for healing her and you did bring her out and made her whole and she is home as pretty as she can be! Amen. Thank you for blessing Melissa to be all right, thank you for her mother being right by her side. Father God Rico's little baby girl is my first great-granddaughter. I thank you for bringing her home from the hospital. She is very pretty. Bless her and give her a long life, in Jesus name. Amen.

I thank God for Cynthia's clients, all of the people she worked for: Cynthia, Joe Lynn, Cynthia Zegner, Lorrie Sky, The Shepherds and Carol Gott. If I did not call your names you know who you are. I truly thank God for you all taking time out to come to Cynthia's home going. For all you have done for her, I pray God's blessings upon

you. Amen. Thank you for just being so nice to her when she was alive.

Father God I also thank you for Samrico. From 1996-2000, you opened a door for him to go to Woodberry Forest Boarding School. In this school you supplied all of his needs; this is Cynthia's only son. You bless him father to finish there and you bless us to go to Virginia to see him come out of school. I thank you heavenly father for being so good to me. I thank you for everyone at that school that had a part in Rico's life in helping him to finish there.

Special word and prayer: To my father, George Garrett, I love you! You are a strong man. I look at you every time I take you to the store and say this man is so blessed to be in his 80's and go about like you do. I pray to God I be strong like you. May God forever bless you, save you and fill you with his Holy Spirit. Amen.

A special thanks and prayer to all of the Dekalb County Jail Chaplains. Special Chaplin Airrener Farquharson and Chaplin Dixon and the Dekalb County Sheriff Thomas L. Brown. It was God that put us together. I have enjoyed working for the jail ministry to the inmates. I have also enjoyed the prayers and fellowship times that we have had together. May God bless all of the inmates to come out and change their lives. I pray and bind every evil force that will come against this jail ministry in Jesus name, and I loose the will of God for the Jail Outreach Ministry. Amen.

To the person that help me turn my life around, Pastor Barbara Shoulders; you will never be forgotten. You went out in the highways and hedges and brought the word of God to me. And I know and have seen the

mighty hands of God on you and your husband and your family. I thank you for taking time out of your busy time to come to my house every Saturday night and bring the word of God to me in my living room. God use you to bring me to the light, you stay there until I gave up my boyfriend. I thank you for being an anointed woman of God. May God's blessings be on you forever. Amen.

I say a special prayer for Margaret and Scott Gillogly and George Wenick and their families. In the name of Jesus, Father God I thank you for these families, they have been such a blessing in my life and I know you sent them to me. Bless them heavenly Father. Don't let them want for anything. Bless Dr. Gillougly's businesses. I thank you Father for the time he let me come to his Dr.'s office and I did not have to pay him. Father he sowed a seed into my life. I also ask you Father to bless his faithful wife, she has been there for me in every thing; don't let her want for anything. When I was at the hospital with my daughter, Cynthia, she came and took me out to eat very often.

A very special tribute to the greatest women on God's green earth, Mama Katie, my mother. You have been there for me with your love, your helping hand. You have showed me a mother's love. May God save you and fill you with his Holy Spirit and keep you until the end. I love you with all of my heart and I know I am blessed to have you living today. You were there for Cynthia in whatever way you could be. I thank you!! Amen.

Little Angel Bright, I admire you so much. You finished college, you got out and began to teach school and now you have bought yourself a nice home with one acre of land. You are so blessed Angel. I want to tell you per-

sonally that God loves you and he is going to bless you to get married and give you more houses and land. A young woman in your early 20's, I thank God for you. God watch over her and let your Angels watch over her also. I love you and your friend. Amen.

To Pastor Wilson: You are real girl...a truly anointed woman of God. I thank God for bringing you into my life. My prayer and thoughts will be with you for ever. May God bless your church. Thank you for being my friend. Amen.

A word for you Christine Phillips and your entire family: I love you all. I hope you all will stay in touch with my family forever. We have been family for a long time. May God bless and save every one in your family that is not saved. Carol I thank you for giving me a chance to bring God's word in your home for 2 years, and I thank you and your husband for trusting me for counseling. I never will forget the time I counseled you and your husband. The next thing I knew he was saved. I thank God for your husband giving his life to God. You all will never be forgotten and will always be in my prayers.

To my best friend, pastor and Elder Robert Virginia Green: I love you. You are truly a friend to me. I love your church and your church family. I go to a lot of churches, but I don't feel as welcome as I do when I am in your church I feel at home. I love to come and fellowship with you I watch you on TV all the time on Saturday when I can. You truly are an anointed woman of God, when Cynthia died you came to me just like I was in your church and gave me a big love offering. I thank God for you and everything you have done for me. I enjoyed you and your husband when we went on vacation together.

Father God bless Center of Faith Church with everything they need. I bind every evil force that will come against this church and I loose the will of God to be done there. Amen.

To Missionary Yvonne Lerma: I Pastor Harris, love you Yvonne for what you have done for me. God is going to give you a double portion blessing. You took time out of your busiest schedule to come over and help me. God sees you and he is going to pay you for everything. Keep up the good work, what you make happen for others God will make happen for you. I use to watch you when you were in the church I came out of. You lived what you said...you let your light shine! I thank God for a true woman of God like you. God has something for you he going to give you the desires of your heart. God bless this woman of God forever. In Jesus name. Amen.

To Pastor and Elder Carter: I love you. You should know I do. May God bless your church family and may God bless your personal family. I thank you for the time you opened your church doors for me in February 1998, to Pastor a church in your building. You and your kindness will never be forgotten. Elder Harris, my husband, love you all also. We thank you again for everything you have done for me, and my family. Lord let your angels watch over them and let your will be done for this family. In Jesus name. Amen.

To my lovely husband, from your wife, appreciation letter and prayer: First, I Lillie Mae have noticed how compassionate you have been. I know if it had not been for you, when Cynthia was sick. It would have been hard for me, but you were there every time she needed to go to the doctor, you took her, you drove the wheel chair van.

When she was in my home, if I had to go to the store or anywhere, you kept her until I got home. And so many other things you have done for her. I want you to know that I appreciate you and God is going to truly bless you. God said what ever you make happen for others, he will bless you. What so ever a man sow, that will he also reap. You have sown some good seeds and they will come back to you. Even when I knew you were stressed out, you still showed love and compassion. God gave you that because we can not do anything without God. I want you to keep on sowing good seeds. Even when I know family members on your side and mine have hurt your feelings, you still show compassion and are easy to forgive others. If we can not forgive others, God will not forgive us. You are truly a man of God. I have seen your family members hurt you so badly that you almost felt like giving up and I know you were so hurt you wanted to stop living. But you got a hold of yourself and said I wont let my trials keep me from going with God. I can't take that house with me. And I feel just like you. I can't take anything down here on this earth with me. So you and I must live the best we know how, down here with the help of God and do unto others as we would have them do unto us.

Father, in the name of Jesus, bless Bob Harris and don't let him want for anything. Give him the desires of his heart. Father God heal his body from sugar. You god have the power to do anything. Give him a long life. Bind every hindrance that keeps him from going forward in your will. I loose every purpose of your will for his life. Bless his hands, and wherever his feet touch, in Jesus name. And bless his own children and his family. If they

are not saved, Father God please save them and fill them with your Holy Spirit. Amen.

A prayer for our nation and the leaders all over the world: The president, the economy, the law enforcement, school officials, the educational system, the media, the veterans and protection from terrorism. Special: All nations all over the world need to pray now more than ever. 2 Chronicles 7:14—If my people which are called by my name shall humble themselves, and pray, seek my face and then turn from their wicked ways, then will I hear from heaven, and I will forgive their sin, and will heal their land.

I pray for Margaret and Scott Gillogly and George Winick and their families. In the name of Jesus, Father God I thank you for these families. They have been such a blessing in my life. I know you sent them to me. Bless them heavenly Father. Don't let them want for anything.

Bless Dr. Gillogly's business. I thank you Father for the time he let me come to his office and I did not have to pay him. Father, he sowed a seed in my life. I also ask you Father to bless his faithful wife. She has been there for me in everything. Don't let her want for anything. When I was at the hospital with my daughter Cynthia, she came and took me out to eat very often.

Dear heavenly Father, in the name of Jesus Christ, I thank you for saving me one day and filling me with the Holy Ghost, which leads me into all truths. I pray for every name above that you lead them and show them the right direction. And I pray for your guidance in every facet of their lives, and father God those who hear your words, help them seek a deep and abiding relationship with you. Lord give our church leaders a word to spread

to our nation. And Lord Jesus help all of our nations to be God-fearing, God-loving. And Father help everyone above to worship you in spirit and in truth. In Jesus name. Amen.

To Mother Andrews: I love you from your prayer partner, Mother Lillie Mae Harris, I have known you almost all of my life. But in the past 14 years we have become very close. I thank God for our relationship. You really are a true friend and a woman that loves God. I thank you for everything. When I call you to pray, we pray...when you call me to pray, we pray. May God forever bless you and don't let you want for anything. In Jesus name. Amen.

To Mrs. Secdro Williams-Walker: Thank you for everything you did for Cynthia. God is going to bless you and your family the more in Jesus name. Amen. You truly are a woman of God and you were a true friend to Cynthia.

To my daughters and their husbands: Carliss, Lorrie and all of my grandchildren, I love you and I pray God's blessings upon you all forever, in Jesus name. Bless Carliss to get the home she wants, and keep it forever until you call her home in Jesus name. Amen. The blessing of the Lord make you rich and he adds no sorrow.

To Doris and Jeff Muir. Father you had Bob to come to Doris home. One day my husband came when I was working for her. You sent him to her house to see me, and you put Bob and I together from that day! Father I thank you for the entire Muir family. I will forever be there friend. Bless them in every way, Doris has really been there for us. Don't let the Muirs want for anything; fill their home with your Holy Spirit.

In the name of Jesus Christ, bless Sister Audrey, Pastor Wilson's sister. She has been a friend indeed. I have my incorporation papers because of her. You sent her to help me. Don't let her want for anything in Jesus name, save her family and prove yourself to her God. Give her the desires of her heart. I bind every evil force against her and I loose the will of God for her life. In Jesus name…Amen!

Dear God, Uncle Andrew was a good man. We miss him; he was Bob's and my favorite uncle. He would always take us out to eat. He fought a good fight, he kept the faith. But you God said to him, I am ready to take you home Andrew. He went home to be with God one Tuesday morning, April 29, 2003. His wife, Aunt Vivian Hector is my good friend. I thank you God for leaving Aunt Vivian here to be with me. I love her.

The Vision That Pastor Lillie Mae Harris Has For Her Outreach Ministry.

She wants to build an outreach center for the jail and prison inmates. So when they get out they will have a place to live until they get a job and get on their feet. She also wants a computer training school, a drug rehab center and an alcohol program for the ones that need it. I have let two or three inmates come to live with my husband and I. I had worked with them for two to three years, when they got out they did not have a place to go. They gave their life to God. I taught them the Word of God. Just like I do when I go to the jail or prison. God is going to give me this building. The ones that stayed in my home is still saved and preaching the word of God. I also want a room built on to my outreach center for families to bring their loved ones that can't walk to stay with me only on the weekend. So the family members will be free on the weekend and will be able to get a break from taking care of their loved ones. I am not able to take care of them myself, but I will seek a grant for both buildings so I can pay a care give to help me.

I know what it is like for a family member to be confined in the house and can't leave because they do not have any one to come and give them a break. I want to give this back for the service that was given to my daughter. I will keep this vision in my prayers until God brings it to pass. I will do whatever I need to do to make it come to pass. Faith without works is dead. Read Hebrews the eleventh and see what happens by faith.

Scriptures for Meditation

1 John 5:5 " Who is he that overcometh the world, but he that believeth that Jesus is the son of God?"

Isaiah 25:8 "He will swallow up death in victory; and the Lord GOD will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth: for the LORD hath spoken it."

1 John 5:4 "For whatsoever is born of God overcometh the world: and this is the victory that overcometh the world, even our faith."

Psalm 60:12 "Through God we shall do valiantly: for he it is that shall tread down our enemies."

Psalm 98:1 "O SING unto the LORD a new song; for he hath done marvellous things: his right hand, and his holy arm, hath gotten him the victory."

Revelation 14:13 "And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

1 Thessalonians 4:13-15 "But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. 14. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. 15. For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

A Word from Pastor Lillie Mae Harris

Whoever reads this book—Do you want to be wealthy or do you want to just make do? Some times most of us go through life accepting whatever comes our way. God's word says that He wants to prosper us. There are people that think they will be prosperous but are doing nothing and think the blessing of God is going to fall into their lap. We fall in a rut because we have learned how to just get by. But that is not the abundant life God described in His word. The devil has stolen our ambition, our potential, our joy and some of us he has made us feel like we are doing good—just making do. But God's word says that "Jesus has come that we might have life and have it more abundantly." Deuteronomy 28:11 states he LORD will grant you abundant prosperity in the fruit of your womb. The young of your livestock and the crops of your ground in the land he swore your forefathers to give you. Just read that whole chapter if you like. Read Matthew 13:11 as well. I don't know about you, but I refuse to keep letting Satan push me around. The book of Job 1:2,3 states Job was a good man who feared God and he stayed away from evil. He was immensely wealthy. He was, in fact, the richest cattleman in that entire era.

God was so pleased with Solomon that He gave him wisdom and wealth, riches and honor. During Solomon's reign, silver and gold were as plentiful in

Jerusalem as rock on the road. (Read 2 Chronicles 1:12,15.) David, who was despised and thought to be "low class" because he was a shepherd was blessed by God so much that he gave from his own private treasures—85 million dollars worth of gold and 20 million dollars worth of silver—to help build the temple. Can you imagine being that rich! Wouldn't it be nice to have money left at the end of each month? Here's the secret—those men put God first. They had giving hearts. They did not hold anything back from God. David said riches and honor comes from God alone. Everything we have comes from God. (Read 1 Chronicles 29:12-14.)

"But thanks be to God, which giveth us the victory through our Lord Jesus Christ."
